

Housing Options

Notes: Distances and times are from the location to the actual facility we will launch from. Driving estimates do not include 15 minutes for very slow tourist traffic mid day (10am-6pm). Sailing Instructions will require arrival at facility well before this.

Please do not delay making housing arrangements. The options listed here have availability as of this writing; many Newport lodging facilities are already sold out. If you are unsure about your participation, we recommend making reservations now, and canceling them if necessary. Most hotels accept cancellations up to a couple days before arrival. B&Bs typically require two weeks cancellation notice.

Fleet Member & Neighbor Housing

For those of you who absolutely need a free place to stay, we have limited space available in our own homes, mostly floor space. Some of us also have neighbors who have graciously offered guest beds. Email me at dorfman@est.org, I am organizing guest housing.
